Visual Step-by-Step FAFSA Guide for CA Foster Youth

This Guide is intended to compliment Part 3 of the *Financial Aid Guide for California Foster Youth* with screen shots of the actual online FAFSA application and detailed step-by-step instructions for youth currently or formerly in the foster care system.

Please reference the full Guide for information on the different types of financial aid, what to do after the FAFSA, and how to maintain financial aid.

Disclaimer

- While we have made every effort to be accurate in this guide, financial aid programs change. Be sure to get current information.
- This guide is intended for foster youth in California who qualify for “Independent Student Status” on the FAFSA (ex. a student who was in foster care on or after their 13th birthday or in a court-ordered legal guardianship). If you do not qualify for “Independent Student Status,” you will need to complete the Parental Demographics section and provide financial information about you and your parent(s). Information about this process is not included in this guide.
- If you are an undocumented student, remember to fill out the California Dream Act Application (CADAA) at dream.csac.ca.gov instead of the FAFSA. If you are a California undocumented student, you should use the CADAA even if you were a DACA recipient and granted a temporary Social Security Number. Visit www.jbay.org/resources/financial-aid-guide for a step-by-step *Visual Guide of the CADAA*.

What to Bring to Apply for Financial Aid

Social Security Number or Alien Registration Number

Make sure you know your name exactly as it appears on your Social Security Card

Email Address

Use an email address that you check often. Avoid high school emails that expire.

List of up to 10 colleges you plan to apply to

You can update this later, if needed. At least one is required to complete the application

Tax or income info from the prior-prior year.

Students may be able to use the IRS Data Retrieval Tool (DRT) to transfer tax information from their federal income tax return into the FAFSA, if applicable.

Where to Apply for Financial Aid

IF YOU ARE A U.S. CITIZEN, A PERMANENT RESIDENT OR OTHER ELIGIBLE NON-CITIZEN

Complete the Free Application for Federal Student Aid (FAFSA)

Apply at: fafsa.ed.gov

What is an eligible non-citizen? Examples include a U.S. permanent resident who has a green card (Permanent Resident Card), a conditional permanent resident with a conditional Green Card, or a "refugee." You can find the complete list on the FAFSA.

OR

IF YOU ARE AN UNDOCUMENTED IMMIGRANT

Complete the California Dream Act Application (CADAA)

Apply at: dream.csac.ca.gov

California Dream Act Application (CADAA) allows undocumented and nonresident documented students who meet certain eligibility requirements to apply for state financial aid and allows qualified students to pay in-state resident fees (instead of higher out-of-state fees) at California's public colleges and universities.

Paper applications are also available for the FAFSA and CADAA, however it is recommended to complete the online application to reduce any chances of errors. For those who want to complete the CADAA in Spanish, this is only available in paper at dream.csac.ca.gov under "Information & Resources"

FAFSA App on Smartphones

The FAFSA can also be completed on a mobile phone through the myStudentAid app or online at fafsa.ed.gov. You can start it and stop it on either device. The mobile app has the same questions, but a different layout. This guide is still helpful if you fill it out through the app.

FAFSA SECTION 1: STUDENT DEMOGRAPHICS

Select the option that best fits your initial educational goal.

- It is important to NOT select "other/undecided" as it may limit the grants you can receive
- If you are uncertain if you will attend a 2-year or 4-year college, select 4-year college
- It is important to not select "2nd bachelor's degree" if you don't already have a bachelor's degree, as it may limit the grants you can receive

What will your college grade level be when you begin the 2022-2023 school year?

If you took college courses while in high school, and were dually enrolled, you are still considered a first-time college student and can select the option: ***"Never attended college/1st yr."***

Interested in work study? Answer Yes! Federal Work-Study allows students with financial need to earn a portion of their financial aid award money through part-time employment on or off-campus. You can decline it later if you change your mind. Answering "Yes" also will not guarantee that you will receive a Work-Study job.

The screenshot shows the FAFSA Student Demographics section. At the top, there are navigation tabs: 2 School Selection, 3 Dependency Status, 4 Parent Demographics, 5 Parent Financials, 6 Student Financials, and Sign & Review. The main heading is "STUDENT INFORMATION" followed by "Student Education".

The first question is "What will your high school completion status be when you begin college in the 2022-23 school year?" with a dropdown menu showing "High school diploma".

The second question is "What college degree or certificate will you be working on when you begin the 2022-23 school year?" with a dropdown menu showing "Associate degree (occupational or technical program)". This section is highlighted with a red box.

The third question is "Will you have your first bachelor's degree before you begin the 2022-23 school year?" with radio buttons for "Yes" and "No". The "No" option is selected.

The fourth question is "What will your college grade level be when you begin the 2022-23 school year?" with a dropdown menu showing "Never attended college/1st yr.". This section is also highlighted with a red box.

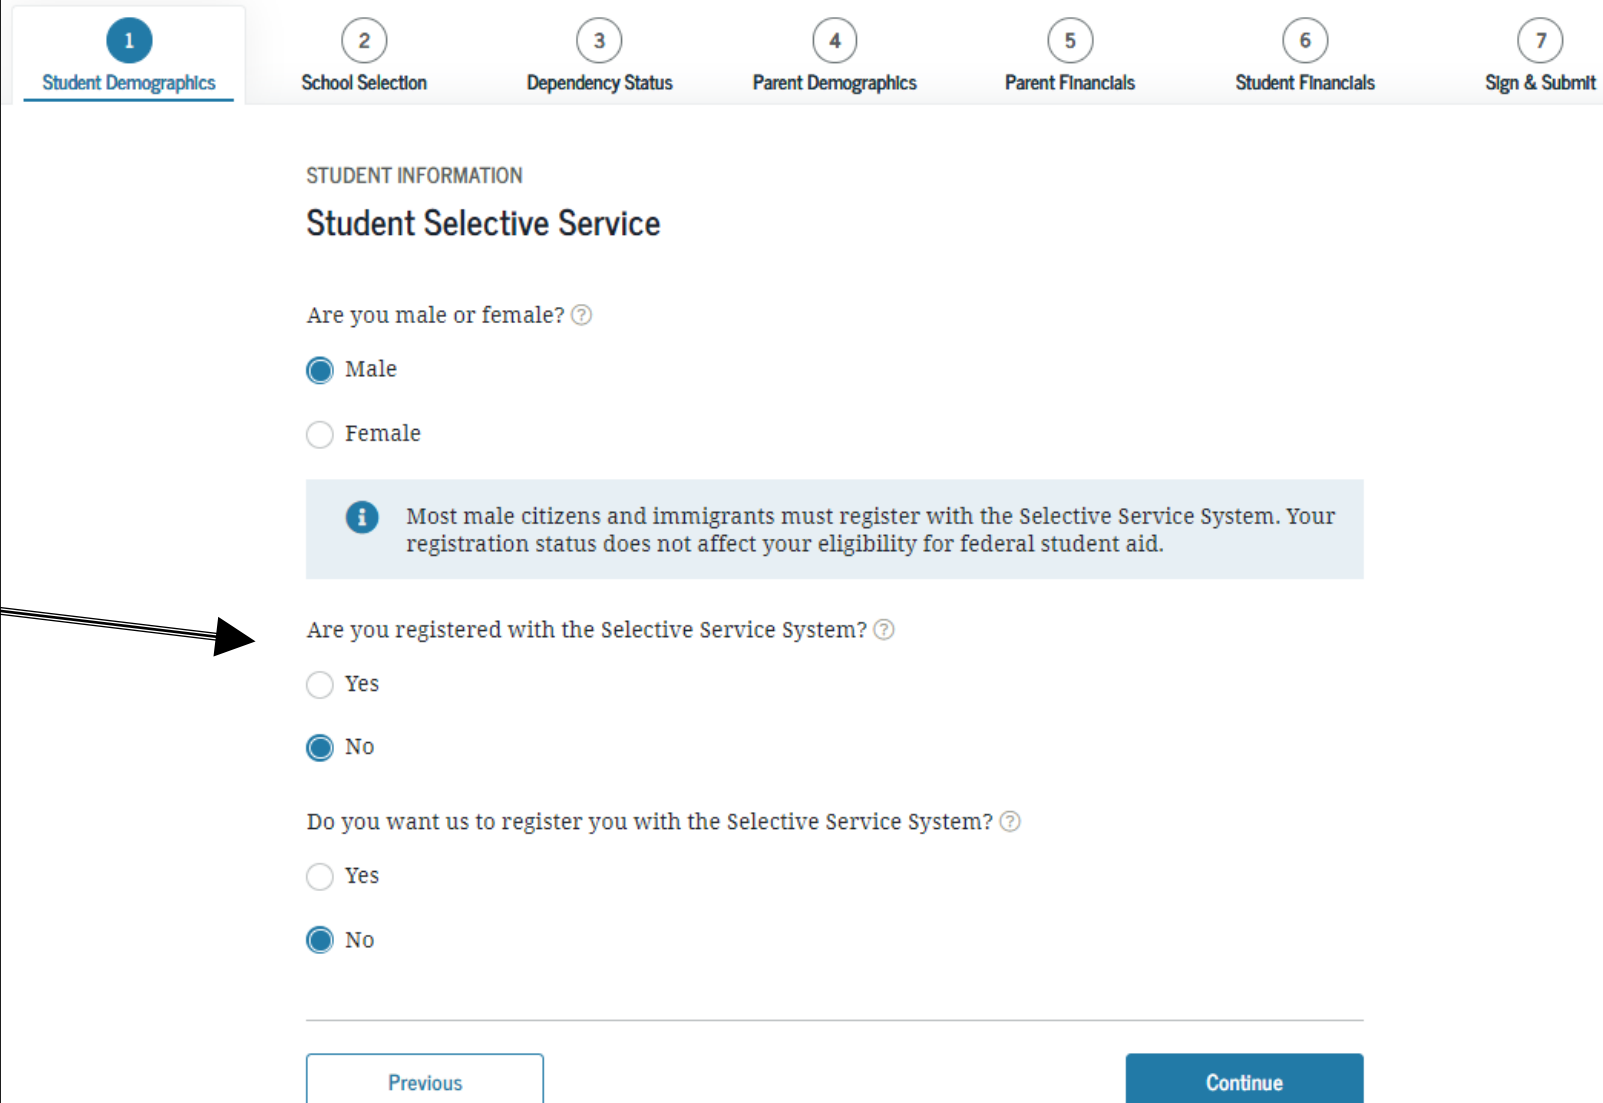

The fifth question is "Are you interested in being considered for work-study?" with radio buttons for "Yes", "No", and "Don't know". The "Yes" option is selected. This section is highlighted with a red box.

At the bottom, there are "Previous" and "Continue" buttons.

Annotations with arrows point from the text on the left to the corresponding questions in the form: from the first paragraph to the first question, from the second paragraph to the second question, and from the third paragraph to the fifth question.

FAFSA SECTION 1: STUDENT DEMOGRAPHICS

- **Male or female:** This is based on your sex at birth as indicated on your birth certificate.
- Selective Service is no longer required to qualify for state or federal financial aid, but the question remains on the FAFSA and allows you to register via the FAFSA form.

Dependency Status, 4. Parent Demographics, 5. Parent Financials, 6. Student Financials, and 7. Sign & Submit. The main content area is titled 'STUDENT INFORMATION' and 'Student Selective Service'. The second question, 'Are you registered with the Selective Service System?', has 'No' selected. The third question, 'Do you want us to register you with the Selective Service System?', also has 'No' selected. An informational message states: 'Most male citizens and immigrants must register with the Selective Service System. TIP

You can send your FAFSA to additional schools after your FAFSA has been processed.

After the FAFSA has been processed and you have received your Student Aid Report (SAR) or SAR Notification, you can submit the FAFSA to an additional 10 colleges, if necessary, by replacing the original set of 10 colleges with a new set of up to 10 colleges. Your original set of 10 colleges will still receive their copy of your FAFSA information. Repeat this process as many times as necessary, each time waiting until you receive the SAR or SAR Notification. You can do this by visiting fafsa.ed.gov or by calling 1-800-4FED-AID (1-800-433-3243). You may need the Data Retrieval Number (DRN) from your SAR.

SECTION 3 OF THE FAFSA:

DEPENDENCY STATUS

Dependency Determination

- Students who are determined to be independent do not need to provide information about parents.
- For independent students, eligibility for financial aid is based on the student's income only (and spouse if applicable)
- Students who will be 24 years old or older as of January 1 of the year for which they are applying for aid are automatically independent and will not be asked the questions in this section. (e.g., if you plan to start school in August 2022, will you be 24 or older as of January 1, 2022)

FAFSA SECTION 3: DEPENDENCY STATUS

FAFSA SECTION 3: DEPENDENCY STATUS

Not sure if you qualify as an independent student as a current or former foster youth? Here are a few more facts:

- Neither legal guardians nor foster parents are considered parents when completing the FAFSA.
- Even if you were in foster care, or were a dependent or ward of the court, for just one day after you turned 13, you qualify.
- Dependent vs. Ward of the Court: The term “ward” is used to mean “dependent” of the court.
- You are a ward of the court (regardless of whether this status is determined by the county or state) if the court has assumed custody of you, even for just one day. Court-ordered documents exist that designate you as a ward of the court.
- If you were a dependent or ward of the court, but remained in the legal custody of your parents, you do not qualify for “Independent Status” as a foster youth on the FAFSA.
- Youth in Family Maintenance will not qualify unless they were in out-of-home care for at least one day after the age of 13.
- Some foster youth are under the jurisdiction of the juvenile justice Probation Department and are still eligible for financial aid.
- If you exited foster care before the age of 13 and were either reunified with your parents or adopted, you will most likely need to provide information about your parents’ income. You can request an exemption from this requirement, however, for special circumstances. Consult with the financial aid office at the college you plan to attend for more information.

How is Foster Youth Status Verified?

It should be automatically verified through a data match with the California Department of Social Services (CDSS), however this doesn't always happen.

Only submit a verification letter if the data match is unsuccessful or if requested by your college or university.

HOW TO GET A VERIFICATION OF FOSTER YOUTH STATUS:

- **Current foster youth:** Contact your county social worker or Independent Living Program (ILP).
- **Former foster youth:** May also contact the State Foster Care Ombudsman's Office: 877-846-1602.

TIP: Although a ward of the court letter may not be requested for the FAFSA, students may need it to access other benefits at their campus for foster youth such as the NextUp program or priority registration. You should request a copy, as you may need it in the future.

FAFSA SECTION 3: DEPENDENCY STATUS

-You are determined to be an Independent Student.

-You can answer "No" to skip questions about your parents.

-Answering "No" will not prevent you from getting financial aid.

STUDENT INFORMATION

Independent Student Status

You are considered an "**independent**" student. This means you are not required to answer questions about your parents.

However, you may want to answer questions about your parents if

- you are a law school or health profession student (such as a medical or nursing student), or
- your school requires parental information from all students.

Would you like to answer questions about your parents? ?

Option b). If you select “*Will File*” IRS Income Tax Return (pages 79–81)

Option c). If you select “*Not Going to File*” IRS Income Tax Return (pages 82–88)

FAFSA SECTION 6: STUDENT FINANCIALS

Pay careful attention to which year's income, tax and asset information you have to report in this section. FAFSA uses income and tax information from the "prior-prior" year.

Ex. The 2022/2023 FAFSA which is filled out between October 1, 2021 – March 2, 2022 will ask for 2020 tax & income information.

Any asset information is based on the date the FAFSA is filed.

You will be asked if you completed your IRS income tax return for the appropriate year. You must select one of three options:

- Already completed
- Will file
- Not going to file

The screenshot shows the FAFSA application progress bar at the top with seven steps: Student Demographics, School Selection, Dependency Status, Parent Demographics, Parent Financials, Student Financials (highlighted with a blue circle and number 6), and Sign & Submit. Below the progress bar, the section is titled "STUDENT INFORMATION" and "Student Tax Filing Status". A yellow warning box states: "Attention! You must provide financial information from your 2020 tax return on the following pages." Below this, a blue information box states: "Because the FAFSA® form belongs to the student, 'you' and 'your' always (unless otherwise noted) refer to the student." The main question is "For 2020, have you completed your IRS income tax return or another tax return?". Student Simplified Path Determination (part 1):
You may be asked if you filed a “Schedule 1” with your taxes, which is a form used to report certain types of income including unemployment benefits and self-employment income (including “gig” work such as Uber driving) as well as certain types of less common deductions. This question is used to determine if you can skip questions related to assets (the “simplified path”).

If you use the IRS DRT, this may show as “Transferred from the IRS”.

Note that if you did file a Schedule 1, you can still answer “no” if the only income type reported on the schedule 1 was unemployment benefits or other less common income types noted on the screen. If you answer no, go to slide 73.

If you did file a Schedule 1, or think you may have, and select “yes” or “don’t know,” you will be asked additional questions to determine if you qualify for the simplified path. First, you will be asked if you are a dislocated worker. You can answer “yes” if you

- were laid off, are receiving unemployment benefits, and are unlikely to return to your previous occupation or
- if you lost self-employment because of the COVID-19 pandemic.

If you answer “no” or “don’t know” you will be asked the questions on the following slide.

TIPS

What if you received unemployment benefits?

Reporting this information on the FAFSA is complicated. We recommend you contact the FAFSA help line (see page 95) for guidance. After you submit your FAFSA, contact the financial aid office at the school you plan to attend to inform them that you received unemployment benefits. They may be able to adjust your income on the FAFSA to ensure you qualify for the maximum funding possible.

What if your income has changed since 2020?

If your income has decreased since 2020, for example, you lost a job or had your hours significantly reduced, contact the financial aid office at the school you plan to attend. They can recalculate your financial aid award to reflect your current income.

If your 2020 income is similar to your 2019 income, use your 2019 tax return to provide estimates for questions about your income. If your income is not similar, select "Calculate with Income Estimator" for assistance estimating your adjusted gross income, and answer the remaining questions about your income to the best of your ability.

Once you file your tax return, you **must** correct your FAFSA® form by changing 1) your filing status from "Will file" to "Already completed," and 2) the estimated answers to the final amounts on your 2020 tax return. At that time, you may be eligible to use the IRS Data Retrieval Tool to transfer your tax return information into the FAFSA form.

What was your adjusted gross income for 2020?
This amount is found on IRS Form 1040-line 11.

FAFSA SECTION 6: STUDENT FINANCIALS

Select **“Not going to file”** if you did not work or did not make enough money that requires you to file taxes for the requested year.

You may be required to submit a **Verification of Non-Filing Letter** to the IRS to verify that you did not need to file taxes.

For more information about this form visit:
www.jbay.org/resources/irs-vnf

Unsure if you made enough money to file taxes?
Each year the income requirement is different. Ex. In 2020, if you were single, under 65 and your gross earned income was at least \$12,400, then you needed to file a tax return.

Gross income = total income paid to you before any deductions or taxes were taken out.

Check Your Award Status

Below are possible award status cards within WebGrants. If your Award Status is pending, click on your "To Do" list to determine next steps. If your Award Status is "Not Awarded", click on "Reason" to learn more and consult with the financial aid office or CSAC if you believe there is an error.

WebGrants To Do's

- ☐ 1. Check your award status and amount for the Cal Grant and Chafee Grant
- ☐ 2. Verify if there are any "pending" items or forms that still need to be completed
- ☐ 3. Confirm that your school of attendance is accurate. This is referring to the college you plan to attend, not your high school.
- ☐ 4. Verify that your GPA has been received. If not, contact your high school counselor or the California Student Aid Commission (CSAC).
- ☐ 5. Enter your high school graduation date. This will become available on the 1st day of the month of your planned graduation month.
- ☐ 6. If you applied for Chafee Grant, check that your "Department of Social Services Record" is complete to verify your foster youth status. Note: This is only verified monthly so it may take up to 6 weeks before this is verified.

Congrats! You Did It!

Remember:

- **Continue to check your email and college student portal weekly.** The college will communicate with you if they need more information. Even after college starts, continue to check it often.
- **Respond promptly to any information request to provide verification in order to receive your financial aid**, such as a verification of foster youth status or an IRS Verification of Nonfiling Letter (if you didn't file taxes). Learn more at: www.jbay.org/resources/irs-vnf
- **Update all of your accounts if your address, email or phone number changes** (e.g. WebGrants, college portal, FAFSA/CADAA, etc.)
