

LA Big 5K Runner Toolkit

Thank you for choosing to run for CASA/LA during the LA Big 5K! We want to welcome you to our team of passionate individuals who share a common vision of a Los Angeles in which all children and families impacted by the child welfare and juvenile justice systems have equitable access to the resources and support they need to thrive.

This year, CASA of Los Angeles is proud to be an official Charity Partner of the LA Big 5K, a fun and challenging loop through Elysian Park with scenic views of Downtown Los Angeles. The LA Big 5K is an essential part of LA Marathon weekend and we couldn't be prouder to be sharing in this impactful weekend with you. Every step you take and dollar you raise will go toward training committed, consistent and caring adults who take action by providing strengths-based advocacy and equitable access to resources and life-affirming connections.

Dear [Name]:

On Saturday, March 18th I will be participating in the LA Big 5K race at Dodger Stadium in support of CASA of Los Angeles. I chose to run for CASA/LA because [insert your “why”]. It would mean a lot to me if you would consider supporting my campaign!

Founded in 1978, CASA of Los Angeles is a non-profit organization organizes the community to show up for children and families in LA County’s overburdened child welfare and juvenile justice systems. Through an intentional, restorative and culturally responsive lens, we train committed, consistent and caring adults who take action by providing strengths-based advocacy and equitable access to resources and life-affirming connections. CASA/LA strengthens our community, ensuring that children and families have what they need to thrive.

With more than 30,000 children now under jurisdiction of the Dependency Court of Los Angeles County, CASA’s work for their safety, well-being and permanency is critical. CASA/LA needs our help to reach even more children and recruit more volunteers, moving toward our shared vision of a Los Angeles in which all children and families impacted by the child welfare and juvenile justice systems have equitable access to the resources and support they need to thrive.

I urge you to join me in supporting this campaign by donating to my personal fundraising page at [insert link to your team fundraising page here]. Every dollar helps me reach my goal!

Thank you deeply for your support.

Sincerely,

[Insert name]
