Gather your friends and family for the Justice Jog 5K Run/Walk – a fun filled event that brings community together to support an amazing cause.

The Greater Los Angeles Chapter of the Association of Legal Administrators (GLA ALA) is proud to host the 16th Annual Justice Jog to benefit CASA of Los Angeles, adding to the more than \$700,000 raised in years past.

CASA/LA supports children and families impacted by the foster care and juvenile justice systems with one-on-one advocacy to ensure they receive equitable access to services in the areas of education, mental and physical health, as well as a stable and loving home. Through our CASA volunteers, CASA/LA has advocated for over 11,000 children in the last 10 years. However, there are more than 30,000 children in LA County's child welfare system and the need is greater than ever for CASA/LA to recruit and train volunteers to ensure that children receive the support they deserve.

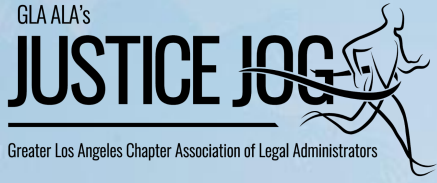

Support CASA/LA by sponsoring Justice Jog, forming a team, or registering yourself for the 5K, making a donation, volunteering at the event, or becoming a CASA volunteer!
