2025 Juvenile Dependency Legal updates

Presented by:

Allison B. Cruz
Attorney at law

Georgina Dews
Attorney at law

There are new laws passed each year that effect youth in the dependency system. We have the opportunity to hear from attorneys Allison Cruz & Georgina Dews on these updates to juvenile law. This session is for CASA staff and volunteers who want to learn about updates to dependency laws. The session will be fast paced and review changes to statutes and case law. There will be limited time for questions at the end of the presentation.
